

51 Would You Rather Virtual Classbuilder

Great for a Classbuilder

Can be used for inspiring writing prompts

Motivating Conversation Starters

I began summer reading this week and used this as our ice breaker each morning with my groups. They LOVED it and ask to continue playing it through our whole session! Great resource to make learning fun!

I used two slides for virtual meet the teacher...it was such a hit even the parents participated!! I used a slide every week during our morning meeting on Zoom. It is so fun to see their ideas of why they picked what. Great choices and clipart.

This is a MUST if you are virtual or F2F!

Have horns

Have a tail

I used this resource to intro an opinion writing lesson with one of my tutoring students. He loved the options and I loved how easy it was to use! Cute graphics gave my emergent reader student a visual aspect of our lesson!
